19 March 2015

Dear Fellow Shareholder

Annual General Meeting

I am pleased to enclose the Notice convening the forthcoming Annual General Meeting (the 'AGM' or the 'Meeting') for shareholders of Croda International Plc, which will be held on Wednesday 22 April 2015. The AGM will be at The Royal York Hotel, Station Road, York, North Yorkshire, YO24 1AA and will commence at 12 noon. The business to be considered at the AGM is set out in the Notice, which you can find on pages 3 and 4 of this document. Explanatory notes on each Resolution to be considered at the AGM appear on pages 5 and 6 of this document.

Final dividend

Shareholders are being asked to approve a final dividend of 36 pence per ordinary share for the financial year ended 31 December 2014. If shareholders approve the recommended final dividend, this will be paid on 28 May 2015 to all ordinary shareholders who are on the register of members on 1 May 2015.

The Board of Directors

I would like to take this opportunity to make special mention of Resolutions 4 to 12 which relate to the election and re-election of directors. As announced on 5 March 2015, I am pleased to welcome Anita Frew to the Board. Anita brings with her a depth of public company experience and a strong understanding of the speciality chemicals sector that will be of enormous benefit to Croda. Anita will succeed me as Chairman of the Board following my retirement in September 2015. Anita will be standing for election, having been appointed to the Board on 5 March 2015. Jez Maiden will also be standing for election, having been appointed to the Board on 1 January 2015. In accordance with the UK Corporate Governance Code, all other directors will be standing for re-election this year. The Board contains a broad range of skills and experience from different industries and advisory roles, and from international markets. These skills support the strategic aims of the Company. A summary of the key strengths and experience of each director and the value they bring to the Board, as well as their biographical details, are set out on pages 40 and 41 of the Company's Annual Report and Accounts or at www.croda.com. Each of the directors being proposed for re-election has been subject to a formal performance evaluation. Anita Frew and Jez Maiden were subject to a detailed evaluation as part of their recruitment process. Each director is considered to be effective in their role and to be committed to making available the appropriate time for Board Meetings and other duties. Further details of the performance evaluation are set out in the Corporate Governance report on page 47 of the Annual Report and Accounts.

Actions to be taken by shareholders

Voting on all Resolutions at the AGM will be conducted by way of a poll rather than a show of hands. Your Board believes that this is more transparent and equitable as the voting intentions of all members are taken into account; not just those who are able to attend the meeting. Voting by way of a poll will give as many shareholders as possible the opportunity to have their votes counted, whether tendered by proxy in advance of, or in person at, the AGM. The results of the poll will be announced via a Regulatory News Service and made available at www.croda.com as soon as practicable after the AGM.

Although we like as many shareholders as possible to attend our AGM, I do appreciate that this is not always possible. However, even if you are not able to come to the AGM in person your vote is still important. I would therefore encourage you, regardless of the number of shares you own, to complete, sign and return the accompanying Form of Proxy to our Registrars as soon as possible but, in any event, by no later than 12 noon on 20 April 2015. Alternatively, you may also register your proxy appointment(s) and voting instructions electronically. Please refer to page 7 of the Notice for further details of how to appoint a proxy or proxies, the deadlines for submission and also how to vote electronically. Registration of a proxy appointment will not prevent you from attending and voting at the Meeting if you so wish. CREST members may also choose to use the CREST electronic proxy appointment service in accordance with the procedures set out in the notes to the Notice.

Recommendation

Your Board considers all of the proposed Resolutions set out in this Notice to be put to the AGM to be in the best interests of the Company and its shareholders as a whole. Accordingly, the directors unanimously recommend that shareholders vote in favour of the Resolutions, as the directors intend to do in respect of their own share holdings.

Questions and Answers

The AGM provides an opportunity for you to ask questions about the business set out in this Notice and to raise other matters about the business of the Company. I will endeavour to ensure that discussions are kept relevant and that as many shareholders as possible have the opportunity to speak. I do hope that you will be able to attend the Meeting and I look forward to seeing you.

Yours sincerely

Martin Flower
Chairman

Directors' authority to allot shares

16 The directors, pursuant to section 551 of the Act, be generally and unconditionally authorised to allot shares in the Company and to grant rights to subscribe for, or convert any security into, shares in the Company:

 - i. to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
 - ii. to holders of other equity securities as required by the rights of those securities or as the Board otherwise considers necessary,

and so that the directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter,

such authorities to apply until (unless previously reviewed, varied or revoked by the Company in a general meeting) the earlier of (i) the conclusion of the next annual general meeting of the Company, and (ii) the close of business on 22 July 2016 provided that in each case, during this period the Company may make offers and enter into agreements which would, or might, require shares in the Company to be allotted or rights to subscribe for, or convert securities into, shares to be granted, after the authority ends and the directors may allot shares or grant rights to subscribe for, or convert securities into, shares under any such offer or agreement as if the authority had not ended.

Disapplication of pre-emption rights

17 That subject to the passing of Resolution 16, the directors be empowered pursuant to section 570 and 573 of the Act to allot equity securities (within the meaning of section 560 of the Act) for cash and/or to sell ordinary shares held by the Company as treasury shares for cash, pursuant to the authority conferred by Resolution 16 as if section 561 of the Act did not apply to any such allotment or sale, provided that this power shall be limited to:

- (A) the allotment of equity securities and sale of treasury shares (but in the case of the authority granted under paragraph (B) of Resolution 16, by way of rights issue only) in connection with an offer of, or invitation to apply for, securities, open for acceptance for a period fixed by the directors:
 - i. to holders of ordinary shares and other persons entitled to participate in such offer in proportion (as nearly as may be practicable) to their holdings (or, as appropriate, to the number of shares which such other persons are deemed to hold) on a record date fixed by the directors; and
 - ii. to holders of other equity securities, as required by the rights of those securities, or as the directors otherwise consider necessary, as permitted by the rights of those securities, and so that the directors may impose any limits and make any arrangements which they consider necessary or appropriate to deal with any treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter whatsoever; and
- (B) in the case of the authority granted under paragraph (A) of Resolution 16, to the allotment (otherwise than pursuant to sub-paragraph (A) above) of equity securities with an aggregate nominal value of up to £678,909

such authorities to apply until (unless previously reviewed, varied or revoked by the Company in a general meeting) the earlier of (i) the date of the next annual general meeting of the Company, and (ii) close of business on 22 July 2016, and so that this power shall enable the Company to make offers or agreements before such expiry which would or might require equity securities to be allotted (and treasury shares to be sold) after such expiry and the directors may allot equity securities in pursuance of such offers or agreements as if the power had not expired.

This power shall supersede the previous power to allot equity securities conferred at the annual general meeting of the Company held on 24 April 2014 which shall be terminated upon the passing of this Resolution, but without prejudice to any action taken under such power prior to such termination.

This power applies in relation to a sale of treasury shares which is included as an allotment of equity securities by virtue of section 560(2) of the Act as if all references in this Resolution to any such allotment included any such sale and as if in the first paragraph of this Resolution the words "pursuant to the authority conferred by Resolution 16" were omitted in relation to such sale.

- (iv) such authority shall, unless previously renewed, revoked or varied, expire at the earlier of (i) the conclusion of the next annual general meeting of the Company, and (ii) 22 October 2016; and
- (v) the Company may, pursuant to the authority granted by this Resolution, enter into a contract to purchase such ordinary shares before the expiry of this authority which would or might be executed wholly or partly after such expiry and may make a purchase of ordinary shares in pursuance of such contract as if the authorities had not expired.

Notice period for shareholders' meetings

19 That a general meeting (other than an annual general meeting) may be called on not less than 14 clear days' notice, provided that the authority for this Resolution shall expire at the conclusion of the next annual general meeting of the Company.

Explanatory notes

1 Resolution 1 – Financial statements

The directors are required to present to the AGM the audited financial statements and the directors' and auditors' reports for the financial year ended 31 December 2014.

2 Resolution 2 – Directors' Remuneration Report

Pages 61 to 79 of the Annual Report and Accounts 2014 form the annual Directors' Remuneration Report which shareholders are asked to approve. The vote is advisory and the directors' entitlement to receive remuneration is not conditional on it meaning that payments already made to directors will not have to be repaid in the event that Resolution 2 is not passed.

3 Resolution 3 – Declaration of dividends

The directors are recommending that the ordinary shareholders declare a final dividend of 36 pence per ordinary share in respect of the year ended 31 December 2014. The final dividend declared may not exceed the amount recommended by the directors and must be approved by the ordinary shareholders. If approved, the final dividend will be paid on 28 May 2015 to ordinary shareholders who were on the Register of Members at close of business on 1 May 2015.

4 Resolutions 4 to 12 – Election and re-election of directors

These Resolutions concern the appointment and re-appointment of directors. Anita Frew and Jez Maiden will be standing for election, having been appointed to the Board on 5 March 2015 and 1 January 2015 respectively. All of the other directors are standing for re-election at this AGM in accordance with the UK Corporate Governance Code. Biographical details of the directors appear on pages 40 and 41 of the Annual Report. The Board considers that each non-executive director is independent in character and judgement. This follows an evaluation during the year that confirmed that each of the directors makes an effective and valuable contribution to the Board and demonstrates commitment to the role (including making sufficient time available for Board and committee meetings and other duties as requested). The Board is recommending that shareholders should re-elect them.

5 Resolutions 13 and 14 – Appointment and remuneration of auditors

The Company is required to appoint auditors at each general meeting at which accounts are presented to shareholders. Resolution 13 proposes the appointment of PricewaterhouseCoopers LLP as the Company's auditors until the conclusion of the next AGM. It is normal practice for a company's directors to be authorised to determine the level of the auditors' remuneration for the ensuing year. Resolution 14 proposes to give such authority to the Company's Audit Committee.

6 Resolution 15 – Political donations

This Resolution enables the directors to incur expenditure of up to £50,000 in aggregate in respect of the activities identified in Resolution 15 (including any such expenditure by a subsidiary company) without unintentionally breaching the provisions of the Act. It is not proposed or intended to alter the Company's policy of not making political donations, within the normal meaning of that expression. However, without the authorisation contained in this Resolution, some of the Company's activities may inadvertently fall within the prohibition contained in the Act and the Company's ability to communicate its views effectively to political audiences and to relevant interest groups could be inhibited without such authority. The authority sought will, if granted, last until the conclusion of the next annual general meeting of the Company when the directors intend to seek renewal of this authority. The Company will continue its policy of not giving any cash contributions to any political party. Any expenditure which may be incurred under authority of this Resolution will be disclosed in next year's Annual Report. During 2014, no donations were made by the Company or any of its subsidiaries for political purposes.

7 Resolution 16 – Renewal of directors' authority to allot shares

Under section 551 of the Act, the directors of the Company may only allot shares or grant rights to subscribe for or convert any securities into shares if authorised to do so. The Company's Articles of Association give a general authority to the directors to allot shares.

This Resolution, which complies with guidance issued by the Investment Association (the 'IA'), will, if passed, authorise the directors to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount of £4,480,799 (representing 44,807,990 ordinary shares of 10p each and being approximately 33% of the current issued share capital, excluding shares held in treasury, as at 5 March 2015, the latest practicable date prior to publication of this Notice) and up to an additional amount not exceeding £4,480,799 in the case of allotments in connection with a rights issue. As at 5 March 2015, this additional authority represents approximately 33% of the issued ordinary share capital, excluding shares held in treasury, which brings the aggregate authority for allotments in connection with a rights issue to approximately 66% of the issued ordinary share capital, excluding shares held in treasury. As at 5 March 2015, the Company held 4,168,181 ordinary shares in treasury, representing 3.07% of the issued ordinary share capital of the Company, excluding shares held in treasury. The directors have no present intention to exercise either of the authorities sought under this Resolution. However, the directors may consider doing so if they believe it would be appropriate in respect of business opportunities that may arise consistent with the Company's strategic objectives. If the directors do exercise the authorities, they intend to follow the IA's recommendations concerning their use (including as regards the directors standing for re-election in certain cases). The authorities will last until the earlier of (i) the conclusion of the next annual general meeting of the Company, and (ii) 22 July 2016.

8 Resolution 17 – Disapplication of pre-emption rights

This is a Special Resolution to renew the directors' authority to allot shares for cash without first offering them to existing shareholders in proportion to their existing holdings. In addition, subject to a waiver by way of Special Resolution, or in the Articles of Association, treasury shares must in the first instance be offered for sale to existing shareholders in proportion to their holdings. As with the allotment of shares for cash, the directors consider that it is in the interests of the Company, in certain circumstances, for the directors to be able to sell treasury shares for cash without having to offer them to existing shareholders first. Therefore, the directors' authority to allot equity securities for cash on a non pre-emptive basis pursuant to this Special Resolution will also cover the sale for cash of any share held by the Company as treasury shares.

Although there is currently no intention to make use of this authority, its renewal would provide the directors with continued flexibility to act in the best interests of shareholders when opportunities arise and, in respect of treasury shares, also give the Company to ability to sell treasury shares quickly and cost-effectively. The authority sought is limited to allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the directors otherwise consider necessary, or otherwise up to an aggregate nominal amount of £678,909, which represents approximately 5% of the issued ordinary share capital, excluding shares held in treasury, as at 5 March 2015, the latest practicable date prior to publication of this notice. In relation to the exercise of this authority, the directors would have regard to the guidelines published by the investment committees of the IA and the National Association of Pension Funds. In respect of the aggregate nominal amount, the directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three year period where the Principles provide that usage in excess of 7.5% should not take place without prior consultation with shareholders. This authority will last until the earlier of (i) the conclusion of the next annual general meeting of the Company, and (ii) 22 July 2016.

9 Resolution 18 – Company's authority to purchase its own shares

Resolution 18 is a Special Resolution seeking to renew the authority to purchase up to 10% of the Company's issued ordinary shares (excluding treasury shares). The maximum price to be paid on any occasion for each ordinary share will be the higher of (a) an amount equal to 105% of the average of the closing middle market price taken from the London Stock Exchange Daily Official List for each of the five business days preceding the date on which the ordinary share is contracted to be purchased, and (b) an amount equal to the higher of the price of the last independent trade and the highest current independent bid on the London Stock Exchange Trading Systems. The minimum price to be paid on any occasion for each ordinary share will be 10 pence. In exercising this authority the directors will comply with the rules of the London Stock Exchange and the IA guidelines on the purchase of own shares. This authority will expire on the date of the earlier of (i) the next annual general meeting of the Company, and (ii) 22 October 2016.

As at 5 March 2015, the latest practicable date prior to publication of this Notice the full exercise of all options and satisfaction of all awards outstanding under the Company's employee share plans would require the issue of 818,162 ordinary shares. This represents approximately 0.6% of the Company's issued ordinary share capital (excluding treasury shares) on that date and would represent 0.65% of the Company's issued ordinary share capital (excluding treasury shares) in the event that the proposed new authority to repurchase shares were to be exercised in full.

Under the Companies (Acquisition of Own Shares) (Treasury Shares) Regulations 2003 (the 'Regulations') the Company is allowed to hold its own shares purchased in the market in treasury as an alternative to cancelling them. Shares held in treasury may subsequently be sold for cash, transferred for the purposes of employee share schemes or cancelled.

The directors will only purchase the Company's shares from the market if they believe that such purchases will improve earnings per share and will be in the best interests of the shareholders generally. It is the intention of the directors that any such shares purchased will be held as treasury shares, provided that the number of treasury shares does not at any one time exceed 10% of the Company's issued share capital (excluding treasury shares). This would give the Company the ability to re-issue treasury shares quickly and cost-effectively and provide the Company with additional flexibility in the management of its capital base.

10 Resolution 19 – Notice period for shareholders' meetings

The Companies (Shareholder Rights) Regulations 2009 require that all general meetings must be held on 21 days' notice unless shareholders agree to a shorter notice period which is subject to a minimum of 14 days. Prior to August 2009 we were able to call general meetings (other than annual general meetings) on 14 days' notice and this Special Resolution is being proposed so that we can continue to be able to do so. In order to be able to call a general meeting on less than 21 clear days' notice the Company must make an electronic means of voting available to all shareholders for the meeting. This condition is met by the Company providing the facility for shareholders to appoint a proxy via an online shareholder portal operated by our Registrars. It is not the Company's intention to use the shorter notice period as a matter of routine but only when the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole.

Notes

1 Entitlement to attend and vote

To be entitled to speak, attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 6 p.m. on 20 April 2015 (or, in the event of any adjournment, 48 hours before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend, speak and vote at the Meeting.

2 Appointment of proxies

- (i) Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this Notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact our registrars, Capita Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU. Alternatively you may choose to vote online by logging on to www.capitashareportal.com and selecting the "Proxy Voting" link. If you have not previously registered to use the portal you will require your investor code ("IVC"), which can be found on your share certificate or dividend tax voucher.
- (ii) To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's registrars, Capita Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or online at www.capitashareportal.com or, in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below, and in each case by no later than 12 noon on 20 April 2015.
- (iii) The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 3 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
- (iv) In accordance with section 149 of the Act, the right to appoint proxies does not apply to persons nominated to receive information rights under section 146 of the 2006 Act (a "Nominated Person"). Any Nominated Person to whom this notice is sent may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right, or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
- (v) The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 2 (i) and 2 (ii) above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.

3 Electronic proxy voting through CREST

- (i) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- (ii) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 12 noon on 20 April 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- (iii) CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that

a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

- (iv) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

4 Voting rights

As at 5 March 2015 (being the last practicable date before the publication of this Notice) the Company's issued share capital consisted of 139,949,969 ordinary shares, carrying one vote each. Croda International Plc holds 4,168,181 ordinary shares in treasury and so the total number of voting rights in the Company at that date was 135,781,788.

5 Corporate representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

6 Website publication of audit concerns

Under section 527 of the Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

7 Questions

Any member attending the meeting or any proxy or corporate representative attending the meeting on behalf of a member has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered. AGM information

Attending the Meeting

If you are attending the AGM please bring your attendance card and poll card with you. This will authenticate your right to attend, speak and vote at the AGM and also speed your admission. You may find it useful to bring this Notice and the 2014 Annual Report and Accounts in order that you may refer to them in the Meeting. All joint shareholders may attend and speak at the AGM. However, it is only the most senior shareholder by reference to the Register of Members and in attendance who is entitled to vote.

Not attending the Meeting

Whoever you appoint as a proxy can attend, speak, vote or abstain from voting, as he or she decides on any other business which may validly come before the AGM. This includes proxies appointed using the CREST service. Details of how to complete the appointment of a proxy either electronically or on paper are given in the notes to this Notice and in the accompanying Form of Proxy.
